A word about legal advice

You always have the right to go to a lawyer or seek other ways of resolving your dispute at any time. A lawyer can advise you of your options. There are time limits for taking legal action. Delays could limit your options and legal rights later on.

Taking your complaint to OBSI

You may be eligible for OBSI's free and independent dispute resolution service if:

- we do not provide our decision within 90 days after you made your complaint, or
- you are not satisfied with our decision

OBSI can recommend compensation of up to \$350,000.

OBSI's service is available to clients of our firm. This does not restrict your ability to take a complaint to a dispute resolution service of your choosing at your own expense, or to bring an action in court. Keep in mind there are time limits for taking legal action.

Who can use OBSI

You have the right to use OBSI's service if:

- your complaint relates to a trading or advising activity of our firm or by one of our representatives
- you brought your complaint to us within 6 years from the time that you first knew, or ought to have known, about the event that caused the complaint, and

OBSI will investigate

OBSI works confidentially and in an informal manner. It is not like going to court, and you do not need a lawyer.

During its investigation, OBSI may interview you and representatives of our firm. We are required to cooperate in OBSI's investigations.

OBSI will provide its recommendations

Once OBSI has completed its investigation, it will provide its recommendations to you and us. OBSI's recommendations are not binding on you or us.

Information OBSI needs to help you

OBSI can help you best if you promptly provide all relevant information, including:

- your name and contact information
- our firm's name and contact information
- the names and contact information of any of our representatives who have been involved in your complaint
- details of your complaint
- all relevant documents, including any correspondence and notes of discussions with us

OBSI can recommend compensation of up to \$350,000. If your claim is higher, you will have to agree to that limit on any compensation you seek through OBSI. If you want to recover more than \$350,000, you may want to consider another option, such as legal action, to resolve your complaint.
